

Rainbow Caterpillar

Challenge Number 10

Bug Shrinkie

- Draw your own bug onto a piece of paper or you can copy one from the pictures provided. Do not make it too small
- Trace the drawing onto the special plastic with a permanent marker pen , allow to dry.
- Keeping your piece of paper underneath the plastic will help you see it better for colouring & cutting out.
- Colour it in with permanent marker pens , allow it to dry

- Carefully cut it out leaving a border around your drawing.
- Now pass it to your Leader to shrink it.
- Leaders - If we has access to the kitchen & it is not a fan oven you can shrink it in the oven . Or use the heat gun , away from the Rainbows.
The instructions for heating are in the pack.
- Or you can get the Rainbows to take it home to shrink . Please give them a copy of the heating instructions .
