

# Rainbow Caterpillar

## Challenge Number 2

### Measure a worm with wool

- Find a worm
- Using the ball of wool, lay the wool alongside the worm .
- Tie a knot in the wool to mark the length of worm, this will become your worm's head.
- Cut the wool at the knot, so that the next person can have a go (hopefully with a different worm)
- Keep your piece of wool until you return to the Rainbow House.
- Stick your wool worm on the "Ugly Bug Wall" write your name alongside your worm.
